DOCUMENT RESUME

ED 066 337 SE 014 584

TITLE	Selected Resources for Environmental Education 1969-1971.
INSTITUTION	Minnesota State Dept. of Education, St. Paul.
PUB DATE	72
NOTE	21p.
EDRS PRICE	MF-$0.65 HC-$3.29
DESCRIPTORS	*Bibliographies; Books; Conservation Education; *Environmental Education; Health Education; Indexes (Locaters); Natural Resources; Periodicals; *Reference Materials

ABSTRACT

This is a listing of selected resources for environmental education for all grade levels. Complete bibliographical information is given, including price, grade level, and a one-sentence description of the entry. Entries are organized according to the following subject headings: Children's Books, Books for Young Adults and Periodicals. The last section on Other Information Sources includes Bibliographies, Pamphlets and Organizations. (LK)

SELECTED RESOURCES FOR ENVIRONMENTAL EDUCATION 1969-1971

SELECTED RESOURCES FOR ENVIRONMENTAL EDUCATION: BOOKS AND OTHER SOURCES FOR ALL GRADE LEVELS

CHILDREN'S BOOKS

Adrian, Mary. A DAY AND A NIGHT IN THE ARCTIC; illus. by Genevieve Vaughn-Jackson. Hastings House, 1970. $3.50; library ed., $3.66 (Ad)
Arctic life portrayed in an easily read, nature-life story which stresses ecological relationships. E

Bancroft, Griffing. SNOWY. McCall, 1970. $4.95 (598.2)
Wild life enthusiasts will be enthralled by a male heron's struggle for survival. E-J

Bendick, Jeanne. LIVING THINGS. Watts, 1969. $2.95; library ed., $1.98 (507)
Presents fundamental differences between living things and inanimate objects. E

Bendick, Jeanne. A PLACE TO LIVE. Parents' Magazine Press, 1970. Library ed., $3.47 (574.5)
An introduction to conservation and environmental quality for the young reader. E

Bixby, William. A WORLD YOU CAN LIVE IN. McKay, 1971. $4.25 (574.5)
A straightforward history of ecology in the U.S. with an analysis of the problem and a plea for the future. E-J

Brady, Lillian. AISE-CE-BON, A RACCOON; illus. by Jerome Connolly. Harvey House, 1971. $4.50 (Br)
A mother raccoon and her young struggle for existence in the Minnesota wilderness. Lovely pictures. E

Brindze, Ruth. THE SEA: the story of the rich underwater world. Harcourt, 1971. $4.50 (333.9)
A lucid, nontechnical overview of the sea's resources and the methods being used to develop its potentials. E-J

Buehr, Walter. FOOD FROM FARM TO HOME. Morrow, 1970. $3.75; library ed., $3.56 (630)
A well-illustrated text traces the development of food production from frontier farming to a forecast for the 21st century. E

Busch, Phyllis S. AT HOME IN ITS HABITAT; animal neighborhoods; photos by Arline Strong. World, 1970. $4.50; library ed., $4.28 8 1/4 x 10 1/4" (591.5)
An easy to understand explanation of habitats. Attractive photographs. E

Busch, Phyllis S. PUDDLES AND PONDS; living things in watery places. Photos by Arline Strong. World, 1969. $4.50; library ed., $4.28 (574.5)
A valuable addition to environmental studies material for young children. Excellent photographs. E

Busch, Phyllis S. A WALK IN THE SNOW; photos by Mary M. Thacher. Lippincott, 1971. $3.95 (574)
The beauties of Winter and ways to read Nature's sign posts are conveyed via effective words and photographs. E

Carrick, Carol & Donald. A CLEARING IN THE FOREST. Dial, 1970 $4.50; library ed., $4.17
The interdependence of man and nature is presented to youngsters via a perceptive story. E

Carrick, Carol & Donald. THE POND. Macmillan, 1970. $4.95 (574.5)
Pond wildlife in action from dawn to dusk depicted in lovely watercolors. E

Carrick, Donald. THE TREE. Macmillan, 1971. $4.95 8 1/4"x 9 1/4" E
Subdued, autumnal drawings convey the mood of a hugh tree's necessary removal and its eventual replacement by a"fine new tree."

Chaffin, Lillie E. I HAVE A TREE; illus. by Martha Alexander. David White, 1969. $3.95 (E)
A tree is for reading, thinking, hiding and imagining. E

Cheney, T. A. LAND OF THE HIBERNATING RIVERS. Harcourt, 1968. $2.95 (910.9)
A different book about the Arctic regions because it emphasizes the interdependence of all living organisms within that particular ecosystem. E - J

Coatsworth, Elizabeth. UNDER THE GREEN WILLOW; etchings by Janina Domanska. Macmillan, 1971. $3.95 6 1/4" x 7 1/4" (E)
Graphically distinguished portrayal of a pond's ecosystem. E

Cohen, Daniel. ANIMALS OF THE CITY; illus. by Kiyo Komoda. McGraw-Hill, 1969. $3.95 (574.9)
A straightforward presentation of the animal life an urban child will see as he goes about his activities. E

Cutler, Katherine N. FROM PETALS TO PINECONES; a nature art and craft book. Lothrop, 1969. $4.50; library ed., $4.14 (745.5)
Advice on what to collect, methods of preservation, materials, and tools needed as well as suggestions for projects. E - J

Davies, Delwyn. FRESH WATER: THE PRECIOUS RESOURCE. Natural History Press, 1969. $5.95; library ed., $6.70 (631.7)
Useful reference materials about a vital resource for elementary and junior high school students. E-J

Dayton, Mona. EARTH AND SKY; illus. by Roger Duvoisin. Harper, 1969. Paper-covered bds., with cloth backbone, $3.50; library ed., $3.79 (E)
Earth and sky engage in a lively debate over who is best, only to be forced to admit that they depend on each other. E

Dobrin, Arnold. MARSHES AND MARSH LIFE. Coward-McCann, 1969. Library ed., $3.86 (574.4)
Ecology and conservation of marshes. Practical information on how to explore wetlands. E

Edmonds, Walter D. BEAVER VALLEY; illus. by Leslie Morrill. Little, 1971. $4.50; library ed., $5.10 (Ed)
Beaver building upsets the ecology of a valley. Appealing drawings add to this briskly written nature story. E

Elliott, Sarah M. OUR DIRTY AIR. Messner, 1971. $3.79 (614.7)
A matter-of-fact discussion of the causes of air pollution and ways it can be alleviated. E

Feldman, Anne. THE INFLATED DORMOUSE AND OTHER WAYS OF LIFE IN THE ANIMAL WORLD; photo research by the author; text by Jean Ely. Natural History Press, 1970. $3.95 8 1/4" x 10 1/2" (591)
Excellent photographs and humorous text supply fascinating enlightment about creatures of our world. E-J

Freschet, Berniece. TURTLE POND; illus. by Donald Carrick. Scribner, 1971. $5.50 10 1/4" (E)
Lovely colored drawings illustrate this nature story of a turtle family's perilous trip to a pond. E

Gage, Wilson. MIKE'S TOADS; illus. by Glen Rounds. World, 1970. $4.50; library ed., $4.28 10" (Ga)
Poor Mike has problems including seven voracious toads. Nature lore couched in a funny story. E

Gannon, Robert. WHAT'S UNDER A ROCK? Dutton, 1971. $4.95 (592)
Budding snoopers will be enticed to investigate cryptic environments by this well-written study. E-J

Garelick, May. WHAT MAKES A BIRD A BIRD? Illus. by Leonard Weisgard. Follett, 1969. $3.95; library ed., $3.99 (598.2)
Full page colored illustrations and a simple text invite children to identify the specific characteristics of birds. E

George, Jean C. THE MOON OF THE ALLIGATORS. Crowell, 1969. $3.75 (598.1)
Ecology of the Florida Everglades. A small but compelling book since both the Everglades and the alligators are threatened with extinction. E

George, Jean C. THE MOON OF THE GRAY WOLVES. Crowell, 1969. $3.75 (599.7)
By November the young wolves have completed their puppy training and begin to behave as adults. Interaction of the wolves with other animals and the natural environment. E

George, Jean C. WHO REALLY KILLED COCK ROBIN? Dutton, 1971. $4.95 (Ge)
A robin dies and Saddleboro's "clean" environment comes under suspicion. Fictional enticement for those not interested by ecological facts. E

Goodheart, Barbara. A YEAR IN THE DESERT, Prentice-Hall, 1969. $3.95 (574.5)
A charming account of the annual cycle of desert ecology. E

Gorvett, Jean. LIFE IN PONDS; American Heritage, 1970. $3.95 (574.5)
Here is an elementary guide to ecological field work using a pond as an example of a unit habitat. E - J

Gray, Robert. GRAY WOLF: the natural life of North American wolves. Norton, 1970. $4.50; library ed., $4.14 (599.7)
Excellent natural history based on personal observation and indisputable ecological facts. E - J

Heady, Eleanor B. & Harold F. HIGH MEADOW; the ecology of a mountain meadow. Grosset, 1970. $4.50; library ed., $4.59 (574.5)
A well-illustrated, informal account of natural interrelationships which maintain a balanced ecosystem. E - J

Helfman, Elizabeth S. CELEBRATING NATURE: rites and ceremonies around the world. Seabury, 1969. $5.95 (394.2)
Survey of the rites and ceremonies performed in many parts of the world to celebrate the Earth Mother - from ancient times to the present. E - J - S

Helfman, Elizabeth S. THIS HUNGRY WORLD. Lothrop, 1970. $4.50; library ed., $4.14. (338.1)
An introductory survey of ways to overcome hunger and malnutrition in the U. S. and elsewhere. E - J

Hess, Lilo. ANIMALS THAT HIDE, IMITATE, AND BLUFF. Scribner, 1970. $3.95; library ed., $3.63 (591)
Excellent close-up photographs document this fascinating account of camouflage in nature. E

Hilton, Suzanne. HOW DO THEY GET RID OF IT? Westminster, 1970. $4.95 (628.4)
The important problem of waste disposal presented as a past and present challenge. E - J

Hirsch, S. Carl. GUARDIANS OF TOMORROW; pioneers in ecology. Viking, 1971. Library ed., $4.53. (574.5)
Brief biographical accounts of eight ecologists combined with the history of the U. S. conservation movement. E - J

Hogner, Dorothy C. BIRDS OF PREY. Crowell, 1969. $3.95 (598.9)
Habits and habitats of 49 species are identified. E - J

Howell, Ruth R. A CRACK IN THE PAVEMENT; photographs by Arline Strong. Atheneum, 1970. $3.75; library ed., $3.62 (574.5)
Interesting photographs and a brief text meld into an introduction to nature for youngsters, especially town bound ones. E

Hudlow, Jean. ERIC PLANTS A GARDEN. A. Whitman 1971. $3.95; library ed., $2.96. (635)
Short sentences, clear photographs, and helpful hints equal a fine first book for beginning gardners. E

Hudson, Robert G. NATURE'S NURSERY. Day, 1969. Library ed., $3.69 (591.5)
An attractive book for browsing which contains fascinating, little known facts about mammals. E - J

Hungerford, Harold R. ECOLOGY: THE CIRCLE OF LIFE. Childrens Press, 1971. $3.95; library ed., $2.96. (574.5)
Interesting, clearly presented primer on ecology. E - J

Johnson, James R. EVERGLADES ADVENTURE. McKay, 1970. $4.95 (Jo)
Entertaining fiction nevertheless provides accurate information on the Florida Everglades. E - J

Johnson, Virginia W. THE CEDARS OF CHARLO. Morrow, 1969. $4.50 (Jo)
When commercial logging interests attempt to move into the wilderness area, Becky and old Spike unite to stop them. E - J

Keller, Victor. THE SCARY WOODS; illus. by Cheryl Pelavin. Four Winds, 1971. Library ed., $4.18. (E)
Walking in the woods becomes Cub's goal. His ingenious way of achieving his object is delightfully recounted. E

Kovalik, Vladimir & Nada. UNDERSEA WORLD OF TOMORROW. Prentice-Hall, 1969. $3.95 (551.4)
Imaginary visit to undersea communities of the future. Mining, farming, fishing and research are featured. E

Laycock, George & Ellen. THE FLYING SEA OTTERS. Grosset, 1970. $3.95; library ed. $3.99. 10 1/4" (599.7)
During an enforced move to a new home sea otters are described and photographed. Good conservation material. E

Leaf, Munro. WHO CARES? I DO. Lippincott, 1971. Library ed., $3.59; paper, $1.95.
Leaf's cartoon images of the "Spoilers" will communicate the necessity for human responsibility in pollution control to the very young. E

Littlewood, Cyril. THE WORLD'S VANISHING ANIMALS: THE MAMMALS; Arco, 1970. $4.50 (599)
A useful reference book for brief facts concerning disappearing mammals. E - J - S

McCoy, J. J. NATURE SLEUTHS. Lothrop, 1969. $4.95; library ed., $4.59 (591.5)
Law enforcement approach to preservation of our wildlife. Approach is unique from that of other books. E

McCoy, J. J. SAVING OUR WILDLIFE. Crowell-Collier, 1970. $5.95 (639.9)
Conservation problems are complex as this history of wildlife conservation and development of protective laws demonstrate. E - J

McCoy, J. J. SHADOWS OVER THE LAND. Seabury, 1970. $4.95 (614.7)
Survey of dangers to our environment and practical suggestions for young people to effect changes. E - J

Marchant, R. A. WHERE ANIMALS LIVE. Macmillan, 1970. $4.95 (591.5)
Animal survival and reproductive behavior is the theme of this book that enlivens ecological principles through lucid examples. E - J - S

Marshall, John. THE AIR WE LIVE IN. Coward-McCann, 1969. Library ed., $3.64 (614.7).
Primer on the why and how of air pollution and steps which can be taken to correct the situation. E - J

May, Julian. MOVING HILLS OF SAND; illus. by John Hawkinson. Hawthorn, 1970. $3.95 (500.9)
Ecology of the dunelands along Lake Michigan with illustrations on every page. E

Millard, Reed & others. CLEAN AIR - CLEAN WATER FOR TOMORROW'S WORLD. Messner, 1971. $4.50, library ed., $4.29 (628.5)
Sources of and solutions to air and water pollution. Helpful lists of organizations concerned with environmental problems. E - J

Miller, Edna. MOUSEKIN'S WOODLAND SLEEPERS; Prentice-Hall, 1970. $4.50 (E)
Another adventure of Mousekin which presents accurate nature lore to young children in a charming picture book. E

Milne, Lorus & Margery. WHEN THE TIDE GOES FAR OUT; Atheneum, 1970. Library ed., $4.25 (574.9)
Intriguing natural history which encourages personal observation during real or imagined strolls along the beach. E - J

Mizumura, Kazue. IF I BUILT A VILLAGE. Crowell, 1971. $4.50; library ed., 75¢ extra. 10 1/4" (E)
Simple effective illustrations and text plead for the preservation of nature surrounding man's communities. E

Naden, Corinne J. GRASSLANDS AROUND THE WORLD. Watts, 1970. Library ed., $3.75 (581.9)
Well-coordinated photographs, maps, and text create an excellent introduction to a variety of grasslands in specific geographic areas. E - J

Peet, Bill. THE WUMP WORLD. Houghton, 1970. $3.95; library ed., $3.57 9 7/8"
Munching their lunch, the herbivorous wumps are invaded by planet polluting beings who do their worst and depart. Pointed humor on pollution. E

Pringle, Laurence, ed. DISCOVERING NATURE IN DOORS. Doubleday, 1970. $4.50 library ed., 75¢ net additional 10 1/2 (591)
Comprised of articles from Nature and Science magazine which suggest home projects dealing with insects and small animals. E - J

Pringle, Laurence P. DISCOVERING THE OUTDOORS. Doubleday, 1969. $3.95; library ed., 75¢ net additional (574.5)
Suggests ideas, experiments and projects for investigating plant and animal life. E - J

Pringle, Laurence. FROM FIELD TO FOREST; how plants and animals change the land. World, 1970. $4.50; library ed., $4.28 (574.5)
Artistic photographs and clear text blend in a simple description of plant succession. E

Pringle, Laurence. IN A BEAVER VALLEY; HOW BEAVERS CHANGE THE LAND. World, 1970. $3.95 (599.3)
Ecological relationships are emphasized in this description of a beaver's life. E

Russell, Helen R. CITY CRITTERS; illus. by Marcia Erickson. Meredith, 1969. $3.95 (591.4)
Sparrows, starlings, rats, and insects have moved to the city and have learned to survive. E

Russell, Helen R. WINTER SEARCH PARTY; illus. by Viola K. Mohn. Nelson, 1971. $4.95; library ed., $4.65. (515.7)
For science students an attractive and informative guide to locating, collecting, and housing insects during the winter months. E - J

Shuttlesworth, Dorothy. NATURAL PARTNERSHIPS; illus. by Su Zan Noguchi Swain. Doubleday, 1969. $3.95 (574.5)
Various forms of symbiosis are discussed and illustrated in plant and animal kingdoms. E

Silverstein, Alvin & Virginia UNUSUAL PARTNERS; symbiosis in the living world; illus. by Mel Hunter. McGraw-Hill, 1968. $4.50; library ed., $4.11 (574.5)
Accurate, detailed black and white illustrations add to a stimulating account of strange relationships in the plant and animal world. E - J

Simon, Seymour SCIENCE IN A VACANT LOT. Viking, 1970. $3.37 (574.5)
The author explores such subjects as rocks, soil, plants, and insects, and suggests natural science projects for urban vacant lots. E

Stoutenburg, Adrien. OUT THERE. Viking, 1971. Library ed., $4.53. (St)
Five children and their leader encounter danger on a mission in the wasteland of 21st century America. Absorbing science fiction with a timely ecological theme. E - J

Tresselt, Alvin. THE BEAVER POND; illus. by Roger Duvoisin. Lothrop, 1970. $4.50; library ed., $4.14 10 1/8"
Quiet, poetic text and lovely illustrations provide a pleasurable introduction to ecology for the picture-book set. E

Van Wormer, Joe. THE WORLD OF THE AMERICAN ELK. Lippincott, 1969. $5.95; library ed., $5.82 (599.7)
The effect of seasons is reflected in the activities of the American elk. E - J - S

Victor, Joan B. WHERE IS MY MONSTER? Crown, 1971. $3.95; library ed., $3.70. (E)
Light humor and soft-hued illustrations lure young children on a nature hike in search of a friendly phantasm. E

Welber, Robert. FROG, FROG, FROG. Pantheon, 1971. $3.95 (E)
A quiet sensitive story about a boy's desire to catch frogs and his eventual joy in watching but not capturing them. E

WHAT ARE ME AND YOU GONNA DO? Children's letters to Senator Gaylord Nelson about the environment. Ballantine, 1971. $4.95 (614.7)
Amid the entertainment there is a message. Read, have a chuckle, then take it seriously and do something constructive. E - J - S

Wohlrabe, Raymond A. HIGH DESEPT AND CANYON COUNTRY. World, 1969. $4.95; library ed., $4.61 (Regions of America) (917.8)
A presentation of the inter-relationships of the history, natural setting and social and industrial development of the Southwestern U. S. E - J

BOOKS FOR YOUNG ADULTS

Arnov, Boris, HOMES BENEATH THE SEA; an introduction to ocean ecology. Little, 1969 $4.50 (574.92)
Opens the question of the effect of man's actions on ocean ecology. J - S

Berland, Theodore. THE FIGHT FOR QUIET. Prentice-Hall, 1970. $9.95 (614.7)
An imposing assemblage of facts and opinions designed to arouse interest in the origin, effect, and prevention of noise. S

Bernard, Melvin A. OUR PRECARIOUS HABITAT. Norton, 1970. $4.95; paper, $2.95 (301.3)
Timely information on problems of ecological health ranging from food poisoning and air pollution to biological warfare. J - S

Borchert, John R. & Yeager, Donald P. ATLAS OF MINNESOTA RESOURCES AND SETTLEMENT. Minnesota Dept. of Admin., Documents Section, Room 140, Centennial Bldg., St. Paul, Minn. 55101 $3.50 (977.6)
An up-to-date, important reference book on Minnesota which covers all the resources of the state and shows the changing patterns of growth both urban and rural. J - S

Brainerd, John W. NATURE STUDY FOR CONSERVATION. Macmillan, 1971. $4.95 (574.5)
Well-organized text and extensive bibliographies make this work useful for teachers and students alike. S

Brooks, Paul. THE PURSUIT OF WILDERNESS. Houghton, 1971. $6.95 (333.7)
Well-written articles about environmental problems compiled in an attractive volume. S

Cahill, Susan & Cooper, Michele F. comps. THE URBAN READER. Prentice-Hall 1971. $8.95; paper, $4.95 (301.3)
The numerous problems besetting metropolitan dwellers are reflected in this collection of essays, poems, songs and stories. S

Callahan, Daniel J., ed. THE AMERICAN POPULATION DEBATE. Doubleday, 1971. $8.95; paper, $2.50 (301.32)
Diverse opinion presented in well-documented selections analyzes various population issues. Excellent discussion material. S

Chedd, Graham. SOUND: FROM COMMUNICATION TO NOISE POLLUTION. Doubleday, 1970. $5.95 (534)
The author has successfully written a broad, clear treatise on sound and its technology. S

Clepper, Henry, ed. LEADERS OF AMERICAN CONSERVATION. Ronald, 1971. $10.00 (920)
A unique reference book, sponsored by the Natural Resources Council of America, including over 300 one-page biographies of past and present conservation leaders. S

Cohen, Daniel. WATCHERS IN THE WILD; illus. by John Hamberger. Little, 1971. $5.95 (591.5)
An informative introduction to the new science of ethnology: i.e. the study of animal behavior in natural habitats. J - S

Commoner, Barry. THE CLOSING CIRCLE. Knopf, 1971. $6.95 (301.3)
Economic and political considerations must be guided by ecological ones if mankind is to survive. An excellent environmental discussion. S

Cotton, Steve, ed. EARTH DAY - THE BEGINNING. Bantam, 1970. $1.25 (574.5)
This collation of exerpts from 50 speeches given on April, 1970 makes a valuable source of informed comment about our environment. J - S

Crowe, Philip K. WORLD WILDLIFE: THE LAST STAND. Scribner, 1970. $7.95 (591.5)
Highly readable personal account of the author's worldwide travels on behalf of wildlife. S

Davies, Brian. SAVAGE LUXURY; the slaughter of the baby seals. Taplinger, 1970. $6.50 (179.3)
A powerful plea for conservation, this grim eyewitness testimony of man's barbaric cruelty is for readers with strong stomachs. J - S

Davies, J. Clarence. THE POLITICS OF POLLUTION. Pegasus, 1970. $6.00 paper, $1.95 (353)
A practical guide to what pollution control entails with regard to establishing standards and enacting laws. S

De Bell, Garrett. THE VOTER'S GUIDE TO ENVIRONMENTAL POLITICS BEFORE, DURING AND AFTER THE ELECTION. Ballantine Bks. 1970. Paper $0.95 (353)
An examination of environmental issues and what citizens can do to effect change. S

Dorst, Jean. BEFORE NATURE DIES. Houghton, 1970. $8.95 (574.5)
Man's effect on his natural environment presented in an unemotional manner. S

Duddington, C. L. EVOLUTION AND DESIGN IN THE PLANT KINGDOM. Crowell, 1970. $7.95 (581)
A readable study of the adaptation of plants to their mode of life via evolution. S

ECO-CATASTROPHE, by the editors of Ramparts. Harper, 1970. $3.95; paper $2.95 (301.3)
A provocative collection of articles indicting irresponsible organizations and businesses for endangering the environment. S

Esterer, Arnulf & Louise A. FOOD. Messner, 1969. $3.95; library ed., $3.64 (641.3)
A look at contributions of peoples throughtout the world to food production and the implications of the scientific revolution in agriculture. J

Fanning, Odom. OPPORTUNITIES IN ENVIRONMENTAL CAREERS. Universal, 1971. $5.75 (614.069)
Brief survey of eight areas of environmental involvement giving the job particulars and other requirements. J - S

Foster, Laura L. KEEPING THE PLANTS YOU PICK. Crowell, 1970. $4.95 (745.92)
An inviting book offering instruction on collecting and preserving plants, and creative suggestions for their use as decorative objects. E - J - S

Fried, Joseph P. HOUSING CRISIS U.S.A. Praeger, 1971. $7.95 (301.5)
One family out of six is inadequately housed in America. A well-informed report on the causes of this national disaster. S

Frisbie, Richard. IT'S A WISE WOODSMAN WHO KNOWS WHAT'S BITING HIM. Doubleday, 1969. $4.95 (796.5)
Amusing but necessary information for the weekend outdoor enthusiast. Campers should take note. J - S

Frome, Michael. THE FOREST SERVICE. Praeger, 1971. $8.95 (353.8)
An historical-descriptive analysis of The Forest Service including the present challenges produced by the environmental crisis. J - S

Gay, Kathlyn. WHERE THE PEOPLE ARE; cities and their future. Delacorte, 1969. $3.50; library ed., $3.39 (352)
A study of the location of cities, their growth or lack of it, special problems and progress. E - J - S

Gofman, John W. & Tamplin, Arthur R. POISONED POWER; the case against nuclear power plants. Rodale Press, Inc. 33 E. Minor St., Emmaus, Pa. 18049, 1971. $6.95; paper, $1.95. (621.48)
Although polemical in approach this soundly reasoned book adds a measure of balance to overly enthusiastic acceptance of nuclear power plants as the answer to our power production problems. S

Graham, Frank. MAN'S DOMINION. Evans; distr. by Lippincott, 1971. $8.95 (333.7)
An excellent history of the development of the conservation movement in the U. S. enhanced by lovely pencil sketches. S

Halacy, Daniel S. HABITAT. Macrae Smith, 1970. $4.95 (574.5)
A lucid, illustrated survey of man's cosmic and global habitat with an explanation of fundamental ecological concepts. J - S

Hannum, Sara & Chase, John T., comps. THE WIND IS ROUND. Atheneum, 1970. $4.75. (821.08)
Contemporary poetry celebrating nature arranged in a seasonal cycle set in an inviting format with attractive illustrations. J - S

Heady, Eleanor B. COAT OF THE EARTH; the story of grass; Norton, 1968. $4.95; library ed., $4.51. (633.1)
Of interest to science and social studies classes, the book describes 10 of the most common grasses in detail. J - S

Hellman, Harold. THE CITY IN THE WORLD OF THE FUTURE. Evans; distr. by Lippincott, 1970. $4.95. (711.4)
New building techniques, types of housing, and trends in city layout being developed to answer urgent urban planning needs. J - S

Higbee, Edward C. A QUESTION OF PRIORITIES; new strategies for our urbanized world. Morrow, 1970. $6.00. (309.173) S
In the light of man's technological know-how an ecologist presents suggestions for reordering priorites favoring human well-being. S

Hoover, Helen. A PLACE IN THE WOODS. Knopf, 1969. $5.95. (574.9)
To move from the hectic life of Chicago to the peace of the Minnesota north woods seemed easy until several near-disasters occurred in her new home. J - S

Hyde, Margaret O. FOR POLLUTION FIGHTERS ONLY; illus. by Don Lynch. McGraw-Hill, 1971. $4.95; library ed., $4.72. (614.7)
Pollution problems and examples of community efforts to fight them provide a fine primer for citizen action. J - S

Kimball, James W. THE SPIRIT OF THE WILDERNESS. Denison, 1970. $6.95. (574.9)
Conservationist and journalist, Mr. Kimball offers a diverse collection of stories and essays about his outdoor adventures. J - S

Lauwerys, J. A. MAN'S IMPACT ON NATURE. Pub. for American Museum of Natural History by Natural History Press, 1970. $6.95 (574.5)
Human devastation of the environment throughout the ages documented in text and magnificent color photographs. J - S

Laycock, George. THE DILIGENT DESTROYERS. Doubleday, 1970. $5.95. (333.7)
Critical examination of the role of the U. S. Corps of Engineers, Bureau of Reclamation and other agencies in defacing the landscape. J - S

Leavitt, Helen. SUPERHIGHWAY-SUPERHOAX. Doubleday, 1970. $6.95. (388.1)
Well-written expose suggesting changes of policy to salvage urban areas. S

Loftas, Tony. THE LAST RESOURCE; Regnery, 1970. $6.95. (551.4)
Minerals from the ocean floor and food and fresh water from the sea are possibilities competently explored by the author. S

McClung, Robert M. LOST WILD AMERICA; the story of our extinct and vanishing wildlife; illus by Bob Hines. Morrow, 1969. $5.95 (599)
A clear presentation of man's effect on wildlife and his heedless rush toward his own destruction by environmental pollution. J - S

McKenna, Virginia. SOME OF MY FRIENDS HAVE TAILS. Harcourt, 1970. $5.50 (599)
A feeling for animals and an appreciation of nature compassionately conveyed in word and picture. J

Mannix, Daniel P. TROUBLED WATERS. Dutton, 1969. $6.95.
Two goldfish try desperately to live in polluted streams while surviving natural dangers. An unusual nature story. J

Meyerson, Martin, ed. THE CONSCIENCE OF THE CITY. Braziller, 1970. $6.00 paper, $3.00.
An unusually stimulating collection of essays concerning American urban problems. S

Millard, Reed & Editors of Science Book Associates. HOW WILL WE MEET THE ENERGY CRISIS? Messner, 1971. $4.50; library ed., $4.29. (621.31)
This survey of new and future sources of electric power considers their social and environmental consequences. J - S

Milne, Lorus J. & Margery J. THE NATURE OF ANIMALS; illus. by Thomas R. Funderburk. Lippincott, 1969. $5.95; library ed., $5.82. (591.5)
Survey of ways in which animals are alike or different. J - S

Milton, John P. NAMELESS VALLEYS, SHINING MOUNTAINS. Walker, 1970. $7.50 (574.5)
Three young men brave Arctic wastes providing exciting reading and insights into the tundra and its ecology. S

Neill, Wilfred T. THE GEOGRAPHY OF LIFE. Columbia, 1969. $12.95 (574.9)
Concerned with the distribution of plants, animals, and peoples throughout the world. J - S

Olsen, Jack. SLAUGHTER THE ANIMALS, POISON THE EARTH. Simon & Schuster, 1971. $6.95. (639.9)
Here is a well-written expose of public and private agencies which persist in poisoning wild animals. Eventual destruction of the eco-system will be the result. S

Ownbey, Gerald B. COMMON WILD FLOWERS OF MINNESOTA; illus. by Wilma Monserud. Univ. of Minnesota Press, 1971. $9.75. (582)
Detailed pen-and-ink drawings and descriptions of more than 300 species of wild flowers common to Minnesota create exquisite addition. E - J - S

Park, Ed. THE WORLD OF THE BISON. Lippincott, 1969. $5.95; library ed., $5.82 (599.7)
Physical characteristics and habits of the bison plus its rescue from extinction. J-S

Parsons, Christopher. MAKING WILDLIFE MOVIES. Stackpole, 1971. $7.95. (778.5)
Amateur shutterbugs will delight in the clear explanations and practical suggestions for photographing wildlife. S

Perry, Richard. THE WORLD OF THE GIANT PANDA. Taplinger, 1969. $7.50. (599.7)
The Giant Panda began its slide toward extinction when its existence was reported to the western world by missionaries. Focuses on what little is known about this intriguing animal. J - S

Pringle, Laurence. ONE EARTH, MANY PEOPLE; Macmillan, 1971. $4.95 (301.3)
Pertinent statistics support an interesting text which covers the basics of human population growth. E - J

Roueche, Berton. WHAT'S LEFT; reports on a diminishing America. Little, 1969. $5.95 (574.9)
Survey of vanishing natural areas of the U. S., Chesapeake & Ohio canal, Islandia Keyes off Florida, and wild rice harvest areas in Minnesota. J-S

Rue, Leonard L. THE WORLD OF THE RED FOX. Lippincott, 1969. $5.95; library ed., $5.82. 10 1/4" (599.7)
Extensive study of life patterns for the serious student. S

Ryden, Hope. AMERICA'S LAST WILD HORSES. Dutton, 1970. $8.95 (636.1)
Excellent photographs accompany this appeal for the preservation of wild horses in the U. S. J - S

Scientific American. PLANT AGRICULTURE; readings from Scientific American, selected and intro. by Jules Janick and others. Freeman, 1970. $10.00, paper $4.95 (630)
Clear, easy-to-read essays about such timely topics as pesticides, food production, and population. S

Scott, John. HUNGER; man's struggle to feed himself. Parents Magazine Press, 1970. $4.50; library ed., $4.12. (338.19)
The specter of starvation demands a look at scientific food production and related problems. J - S

Simon, Hilda. PARTNERS, GUESTS AND PARASITES: COEXISTENCE IN NATURE. Viking, 1970. Library ed., $4.53 (574.5)
Accurate drawings decorate this readable exposition of the inter-dependent relationships among various species. J - S

Smith, Guy-Harold. CONSERVATION OF NATURAL RESOURCES. Wiley, 1971. $11.95 (333.7)
This work has been the "bible" for conservationists for two decades. S

Sterling, Philip. SEA AND EARTH; the life of Rachel Carson. Crowell, 1970. $4.50 (921 Ca)
A faithful portrait of a gifted biologist who beckoned others to the love of nature and dedication to conservation. J - S

Stevens, Leonard A. THE TOWN THAT LAUNDERS ITS WATER. Coward-McCann, 1971. Library ed., $4.49. (333.9)
How Santee, California learned to reclaim and reuse its water to the benefit of its citizens and the local environment. E - J - S

Still, Henry. MAN: THE NEXT 30 YEARS. Hawthorn, 1968. $5.95. (301.3)
Barring nuclear war, man will move into a challenging era. The author plays a game of prediction carefully based on science. J - S

Swatek, Paul. THE USER'S GUIDE TO THE PROTECTION OF THE ENVIRONMENT. Ballantine, 1970. Paper, $1.25. (574.5)
A practical handbook giving specific information and advice to individual consumers concerned about environmental quality. S

Taylor, Gordon R. THE DOOMSDAY BOOK. World, 1970. $7.95. (301.3)
Population growth and modern technology combine as the culprits causing impending ecological disaster. S

Van Dersal, William R. WILDLIFE FOR AMERICA. Walck, 1970. $6.00 (333.7)
An enjoyable presentation of the history and concepts of wildlife conservation and management in the U. S. E - J - S

Van Gelder, Richard G. BIOLOGY OF MAMMALS. Scribner, 1969. $5.95. (599)
A reference book on the structure, habits and distribution of mammals suitable for browsing. J - S

Villiard, Paul. THROUGH THE SEASONS WITH A CAMERA. Doubleday, 1970. $3.95 (770)
This excellent guide provides photographic expertise for nature lovers and shutter bugs. J - S

Waitley, Douglas. MY BACKYARD; a living world of nature. David White, 1970. $6.95 (574.5)
Engaging ecological account blended from personal observations and and scientific knowledge. J - S

Wood, Frances E. & Dorothy F. FORESTS ARE FOR PEOPLE. Dodd, 1971. $4.95 (333.7)
The heritage of our national forests attractively set forth. J - S

Zwick, David & Benstock, Marcy. WATER WASTELAND. Grossman, 1971. $7.95 (614.7)
Palatably presented material helpful for students doing papers on pollution. S

PERIODICALS

AUDUBON MAGAZINE. National Audubon Society, 1130 Fifth Ave. N.Y., N.Y. 10028. Bi-monthly, $8.50

"Devoted to the conservation of wild life, plants, soil and water." Authoritative articles, beautiful photography, and book reviews make this periodical an excellent investment. E-J-S

BIOSCIENCE. American Institute of Biological Sciences. 3900 Wisconsin Ave., N.W., Washington, D. C. 20016. Monthly $12.00

Emphasis is on application of biological sciences to man's living conditions, i.e. hunger, pollution, pesticides. Written in popular style. For senior high schools to develop an awareness of the importance of the field of biological sciences and interest in it. S

CONSERVATION NEWS. National Wildlife Federation. 1412 16th St., N.W., Washington, D. C. 20036. Semi-monthly. Free

Excellent book reviews and current coverage of federal legislation plus other aspects of conservation presented in semi-popular style. J-S

THE CONSERVATIONIST. New York State Conservation Dept., State Campus, Albany, N.Y. 12226. Bi-monthly $2.00.

Lively presentation of conservation material and beautiful color photography create an outstanding government publication. J - S

ENVIRONMENT. Committee for Environmental Information. 438 N. Skinner Boulevard, St. Louis Mo. 63130. 10 issues $8.50.

Devoted to all issues affecting the environment. Many of the contributors have outstanding reputations in their fields. S

ENVIRONMENTAL EDUCATION. Dembar Educational Research Service, Box 1605. Madison, Wisconsin 53701. Quarterly $7.50. Student rate, $4.75.

Research and development in conservation communications. For mature students and teachers. S

ENVIRONMENTAL QUALITY MAGAZINE. Environmental Awareness Associates, Inc. 6355 Topanga Canyon Blvd. Suite 327, Woodland Hills, Calif., 91364. Quarterly $6.50.

A well-illustrated, nicely written weapon in the fight to preserve and improve our environment. J-S

FAO REVIEW. Food and Agriculture Organization of the United Nations. 1325 C St. S.W., Washington, D.C. 20024. Bi-monthly $2.50

A well printed, beautifully illustrated journal, this is concerned with studies of hunger and poverty throughout the world... Should prove popular for browsing and as a source of reliable material for student papers. S

FIELD AND STREAM. Holt, Rinehart & Winston, Inc. 383 Madison Ave. N.Y., N.Y. 10017. Monthly $4.00.

A major American outdoor magazine strongly committed to conservation. E-J-S

LIVING WILDERNESS. Wilderness Society. 729 15th St., N.W. Washington, D. C. 20005. Quarterly $3.00.
Dedicated to the preservation of the wilderness and the education of citizens for an active role in the conservation movement. J-S

MINNESOTA MUNICIPALITIES. League of Minnesota Municipalities. 314 Social Science Building. University of Minnesota, Minneapolis, MN 55455 Monthly $3.50 Order direct.
Describes planned and completed municipal projects in Minnesota towns and cities. Articles discuss and offer solutions to community problems. S

MINNESOTA OUT-OF-DOORS. Minnesota Conservation Federation. 4313 Shady Oak Rd. Hopkins, MN 55343 Monthly $1.00.
Features in behalf of the appreciation and conservation of Minnesota's natural heritage. J-S

MINNESOTA VOLUNTEER. Dept. of Natural Resources, Centennial Bldg. 658 Cedar Street, St. Paul, MN 55101 Bi-monthly Free
Small attractive magazine devoted to the conservation of Minnesota's resources. E-J-S

NATIONAL WILDLIFE. National Wildlife Federation, Inc. 1412 16th St., N.W. Washington, D.C. 20036.
The major conservation magazine for all libraries. E-J-S

NATION'S CITIES. 1612 K Street, N. W., Washington, D.C. 20006 Monthly $6.00
Short articles on transit facilities urban design, area planning, water supple housing projects, slum clearance, and racial riots. Official publication of the National League of Cities. S

NATURAL HISTORY. American Museum of Natural History, 79th St. & Central Park West, N.Y., N.Y. 10024 Monthly (Oct-May), Bi-monthly (June-Sept.) $7.00
Authoritative and readable material on nature and science in an attractive format. E-J-S

THE NATURALIST. Natural History Society of Minnesota. 315 Medical Arts Bldg., Minneapolis, MN 55402. Quarterly $5.00.
A handsome magazine with distinctive illustrations devoted to the study of nature and conservation. E-J-S

RANGER RICK'S NATURE MAGAZINE. National Wildlife Federation, 1412 16th St. N.W., Washington, D. C. 20036 Monthly, Oct.-May, $6.00 Order direct.
This attractive introduction to the enjoyment of nature presents a program of activities and knowledge for children. E

SIERRA CLUB BULLETIN. Sierra Club, 1050 Mills Tower, San Francisco, Calif. 94104 Monthly $5.00.
Gorgeous illustrations enhance the content of this periodical devoted to the presevation of wilderness areas. J-S

SPORTS AFIELD. Hearst Corp. 959 Eighth Ave., N.Y., N.Y., 10019. Monthly $4.00.
Articles on all types of out-of-doors recreational activities including conservation. J-S

OTHER INFORMATION SOURCES

The agencies and materials mentioned in this section are but a few of the myriad groups and publications promoting knowledge, appreciation, and preservation of our environment. These are listed to provide a starting point for obtaining information and materials about all aspects of ecology.

BIBLIOGRAPHIES

Advisory Commission on Intergovernmental Relations. Washington, D.C. THE QUEST FOR ENVIRONMENTAL QUALITY; federal and state action, 1960-70 annotated bibliography. Supt. of Docs., U.S. Govt. Print. Office, Washington, D.C. 20402. 1971. 35¢

Brief reports of federal and state government action on environment and a bibliography of books and articles which provide information about emerging issues with intergovernmental implication. Sources for teachers rather than students.

American Association for the Advancement of Science. THE AAAS SCIENCE BOOK LIST FOR CHILDREN, comp. by Hilary J. Deason. 3d. ed. AAAS, 1515 Massachusetts Ave. N. W. Washington, D.C. 20005. 1972. $10.00

Citations and annotations of 1,530 titles arranged by subject with level of reading difficulty indicated. E

American Association for the Advancement of Science. THE AAAS SCIENCE BOOK LIST FOR YOUNG ADULTS, comp. by Hilary J. Deason. 3d. ed. AAAS, 1970. $10.00

Citations and annotations of 2,441 titles of trade books, textbooks, and references in the pure and applied sciences and mathematics. J-S

Carvajal, Joan & Munzer, Martha E., comps. CONSERVATION EDUCATION; a selected bibliography. Conservation Education Association, 1968. $2.50. SUPPLEMENT, 1971. 75¢. Available from Interstate Printers & Pub., Inc. Danville, IL 61832.

An annotated bibliography and supplement covering books published in the U. S. from 1957 to 1970. Divided topically, indexed by author and subject, with purchasing information and grade level supplied. E-J-S

Minnesota State Department of Education. AUDIOVISUAL MATERIALS FOR ENVIRONMENTAL EDUCATION. The Department, 1971. Available from School Libraries, Capitol Square Bldg. St. Paul, MN 55101. Free

A list of films and filmstrips prepared to accompany a pilot curriculum in environmental education. E-J-S

Moore, John A. SCIENCE FOR SOCIETY; a bibliography. 2d. ed. Commission on Science Education. American Association for the Advancement of Science. 1515 Massachusetts Ave. N.W. Washington, D.C. 20005. 1971. $1.00

A compilation of 4,000 articles, government publications, and books pertaining to all aspects of environment and human life. S

U. S. Department of Housing and Urban Development. Washington, D.C. ENVIRONMENT AND THE COMMUNITY; an annotated bibliography. Supt. of Docs., U. S. Govt. Print. Office, Washington, D.C. 20402. 1971. 65¢
Selections emphasize the environment of American cities. Additional bibliographies are listed as well as periodicals and concerned organizations. S

PAMPHLETS

Minnesota Geological Survey.
The following pamphlets are available from the Minnesota Geological Survey. University of Minnesota, St. Paul, MN 55108

Bray, Edmund C. A MILLION YEARS IN MINNESOTA: the glacial story of the state. 3d. ed. The Science Museum; available from the St. Paul Science Museum Gift Shop, 30 E. 10th St., St. Paul, MN 55101 1962. $1.25
A brief history of Minnesota's glacial period and the forces which worked on the face of the land.

Hogberg, R. K. ENVIRONMENTAL GEOLOGY OF THE TWIN CITIES METROPOLITAN AREA; illus. by Ann Cross. Minn. Geological Survey, 1971. 50¢ (Educational series 5)

Hogberg, R. K. & Others. GUIDE TO FOSSIL COLLECTING IN MINNESOTA; illus. by Ann Cross. Rev. ed. Minn. Geological Survey, 1967. 50¢ (Educational series 1)

Hogberg, R. K. & Bayer, T. N. GUIDE TO THE CAVES OF MINNESOTA. Minn. Geological Survey, 1967. 50¢ (Educational series 4)

Rapp, G. R. & Wallace, D. T. GUIDE TO MINERAL COLLECTING IN MINNESOTA; illus. by Ann Cross. Minn. Geological Survey, 1966. 50¢ (Educational series 2)

Sims, P. K. & Morey, G. B. GEOLOGIC SKETCH OF THE TOWER-SOUDAN STATE PARK; illus. by Ann Cross. Minn. Geological Survey, 1966. 50¢ (Educational series 3)

Compact. Volume 5, No. 3, June, 1971. ENIVRONMENTAL EDUCATION. Available from Education Commission of the States, 300 Lincoln Tower, 1860 Lincoln St., Denver, CO 80203. $1.00 per copy; 10-49 copies 75¢@.
State and local environmental education programs described.

I/D/E/A Reporter. Spring Quarter, 1971. POPULATION EDUCATION. Available from I/D/E/A Mail orders. P.O. Box 628. Far Hills Branch, Dayton, Ohio 45419. $1.00
This issue of The Reporter is designed to aid teachers and school administrators in their effort to introduce population education as a significant component of the curriculum.

Minnesota Department of Economic Development. MINNESOTA'S IRON RANGE TRAIL. The Department. 51 East 8th St., St. Paul, MN 55101. 1969. Free
Information on mines, mining and points of interest on the Range.

U. S. Department of the Interior. Office of the Secretary. A RIVER OF LIFE; Water: the environmental challenge. Conservation Yearbook, No. 6. U.S. Govt. Print. Off., 1970. $2.00
OUR LIVING LAND. Conservation Yearbook, No. 7. U.S. Govt. Print. Off., 1971. $2.00. Available from Manager, Public Documents Distribution Center, 5801 Tabor Ave., Philadelphia, PA 19120
Conservation yearbooks highlight problems; show corrective actions being taken in colorfully illustrated format.

The World Book Encyclopedia. Reprints. Available from Educational Services, Sta. 8. Field Enterprises Educational Corp. Merchandise Mart Plaza, Chicago, IL 60654
CITY/CITY PLANNING, by Philip M. Hauser. 1971. Reprint SA-2833. 25¢
ENVIRONMENTAL POLLUTION, by Alan McGowan. 1972. Reprint SA-2902. 20¢

ORGANIZATIONS

The Conservation Foundation. 1717 Massachusetts Avenue N.W., Washington, D.C. 20036
This organization conducts research, education and information programs to develop knowledge and stimulate action to improve the environment. It offers a variety of conservation services and publishes the C F LETTER (monthly; $6.00). Request publications list.

Educational Resources Information Center (ERIC) U.S. Office of Education. Department of Health, Education, and Welfare, Washington, D.C. 20202.
ERIC acts as a national information network for acquiring, abstracting, indexing, storing, retrieving and disseminating significant educational research reports and program descriptions. It consists of a central staff at the Office of Education and 19 clearinghouses on specific fields of education.
ERIC Information Analysis Center for Science and Mathematics Education at Ohio State University, Columbus, Ohio, is the clearinghouse for environmental materials.
A guide entitled ERIC HOW TO USE IT FOR ENVIRONMENTAL EDUCATION. may be obtained from the Center. Also available free of charge, SMAC NEWSLETTER: ENVIRONMENTAL EDUCATION BULLETIN. Address: ERIC Informational Analysis Center for Science and Mathematics Education. 1460 West Lane Avenue, Columbus, Ohio 43221.

Environmental Conservation Library of Minnesota (ECOL) Minneapolis Public Library. 300 Nicollet Mall. Minneapolis, MN 55401 Phone: 612-372-6609
A library designed to serve a variety of agencies and individuals including teachers and students. The collection focuses on natural resources of Minnesota with emphasis on man's impact on them. Knowledgeable personnel, organized materials, and contacts with other sources of information are intended to provide service to users and libraries throughtout the state.

Environmental Library of Minnesota. 1222 - 4th Street S.E. Minneapolis, MN 55414 Phone: 612-331-8025
ELM publishes a newsletter, FULL MONTHLY MOON MEMO. It offers library service to everyone including environmental groups and government agencies and assists in locating specific or general information concerning environmental problems.

The Izaak Walton League of America. 1326 Waukegan Road. Glenview, IL. Minnesota Division. 311 Times Annex Building, Minneapolis, MN 55401 Phone: 612-338-1418.

Information on environmental problems provided. Book lists produced.

Minnesota Environmental Sciences Foundation, Inc. Environmental Science Center. 5400 Glenwood, Minneapolis, MN 55422 Phone: 612-544-8971.

The Center serves as a resource and welcomes participation in its education programs. Its newsletter is ECOLOG.

Minnesota Geological Survey. University of Minnesota, St. Paul, MN 55108.

This organization conducts investigations and gives information on the geology and mineral resources of the state.

THE PUBLICATIONS OF THE MINNESOTA GEOLOGICAL SURVEY. The Survey, 1971. Free

A brochure of the Survey's publications including bulletins and reports.

Minnesota Department of Natural Resources. Bureau of Information & Education. 350 Centennial Office Bldg., 658 Cedar St., St. Paul, MN 55101

This organization has a film loan service, occasionally issues publications and serves as a source of information about topics related to conservation and the environment.

Write for booklet: FILM LOAN SERVICE. A listing of natural resources films and other audiovisual materials available on loan from the Department.

Minnesota Pollution Control Agency. 717 Delaware Street S.E., Minneapolis, MN 55440 Phone: 612-378-1320.

Information about pollution and legislation to prevent it.

U. S. Department of Interior. Washington, D.C. 20240.

The Department of the Interior provides a yearly listing of CONSERVATION FILMS AND NATURAL RESOURCE FILMS. Included are free-loan 16mm films, slides, and filmstrips available from a variety of agencies.

U. S. Government Printing Office. Division of Public Documents. Washington, D.C. 20402

Guides to GPO materials are the MONTHLY CATALOG OF U.S. GOVERNMENT PUBLICATIONS ($7.00) and SELECTED GOVERNMENT PUBLICATIONS (semi-m., Free).
